# St. Michael School

## A LEGACY OF EDUCATION

In August of 1881, Sister Benedict Joseph Superior, Sister Mary Gabriel, and Sister Providence of the Sacred Heart, transformed a small building in Olympia into a makeshift Catholic school and convent. The building, called St. Providence St. Amable, opened its doors on September 18, with 35 girls enrolled. Within a few years the sisters had raised enough money to purchase land on which to build a permanent school. Mother Joseph of the Sacred Heart planned and supervised construction of the new Providence St. Amable Academy, a two-story building located in downtown Olympia on what is now Capitol Way.

The Academy opened on February 13, 1884. There were few amenities and no luxuries, but the building had larger classrooms and for the first time, space for a chapel. The sisters, who wanted the poor to be able to attend their school, kept tuition as low as possible, \$1 per month for primary grades and \$2 per month for high school.

In 1906, when Providence St. Amable Academy celebrated its 25th Anniversary, the school had 103 pupils, 25 boarders, and a faculty of seven sisters. Over time, the school became known simply as Providence Academy. During the 1912 school year the sisters were joined by the school's first lay teachers. Never a prosperous establishment, the school fell into debt until 1926, when St. Michael Parish purchased it for \$11,000. Parish administration discontinued the high school and student boarding, and the Providence Academy officially became St. Michael Parish School.

The building, which had deteriorated during the Depression, was damaged by a fire in 1939. Planning for a new school began in January of 1949 with construction costs estimated at \$300,000. Four months later, an earthquake brought down the facades of many downtown buildings. While the school survived the quake, inspections later revealed considerable damage to the second and third floors.

In March 1950, Father Michael O'Dwyer, representing Archbishop Connolly, broke ground for the new St. Michael Parish School and Convent at the current location on 10th Street. Classes in the original building on Capitol Way ended in June of 1957. The new St. Michael Parish School opened just in time to accommodate the children of the post-war "baby boom" with 343 students enrolled in the fall.

St. Michael Parish School was built on a legacy of Catholic education that is rich in tradition and dedicated to Catholic principles. We are grateful to all who have supported our school since its humble beginnings. Many thanks to our dedicated faculty, staff, parents, friends and alumni for helping us move confidently into the future.

# MESSAGE FROM FATHER JIM

Dear Friends of Saint Michael Parish School,

As we gather once again to celebrate and support our annual S.M.A.R.T. Auction, I thank you for your continued enthusiasm and generosity. Your presence here this evening once again reaffirms your commitment to the ministry of Saint Michael Parish School.

Over the years, many dedicated individuals like yourselves have enabled this important ministry of Saint Michael Parish to continue to flourish, develop and deepen as a beacon of faith based, value centered education and formation.

Saint Michael Parish School stands out for its academic excellence. This is repeated year after year in testing scores and as our eighth graders enter high school. They are extremely well prepared academically for the challenges they face. We are grateful for our dedicated teachers and staff who year after year take personal interest in every student.

Saint Michael Parish School stands out for its commitment to the whole person. Having “buddies” for our younger students not only offers them a sense of belonging and being cared for, but it also teaches responsibility, concern, compassion and leadership among the older students. It is always inspiring and touching to watch the kindergartners thank their eighth grade buddies and make predictions about their future careers at the final MMO.

I could continue to extol the qualities of Saint Michael Parish School, but rather I simply want to affirm this year’s Fund-A-Need as yet another example of stewardship and service on behalf of others. Mindful of the importance of recreation and playtime with a new play structure available for more students, we are keenly aware of the needs of other children at the Holy Spirit Center in Juarez, Mexico. Being able to partner with them and gift them with our present playground equipment, is another sign of what makes Saint Michael Parish School so special.

Therefore I ask you to be especially generous when asked to support this year’s Fund-A-Need. It will be a real stretch, but together with help from parishioners and a rebate from our Annual Catholic Appeal, we can make this hope a reality.

Thank you so much for your presence, your generosity and your support for our parish school. Blessings to you all.

Sincerely in Christ Jesus,  
Fr. Jim Lee, Pastor

# MESSAGE FROM PRINCIPAL GERAGHTY

Dear Friends of Saint Michael Parish School,

Welcome to the 2019 St. Michael Parish School S.M.A.R.T. Gala: "Let the Good Times Roll"! Over the past 30 years, your generous and unwavering support of the S.M.A.R.T. auction has enabled the continual growth of St. Michael Parish School. Thank you for the blessing of your presence on this 30th anniversary of our S.M.A.R.T. Gala and let's celebrate our remarkable tradition of Catholic education!

Since 1881, our school has served families in Olympia and throughout Thurston County by providing excellent, Catholic faith-based education to their children. Our school's mission rests upon a shared commitment to the spiritual, intellectual, physical, social, emotional, and aesthetic growth for all of our students. Our entire faculty and staff are committed to partnering with our families to ensure that we are always living this mission. Your dedicated stewardship through the sharing of your time, talent, and treasure ensures the brightest of futures for our students.

Each year, half of our auction proceeds fund our Capital Improvements Fund and the other half builds our Endowment Fund. Through your generosity, our auction has funded such exciting projects as our playground, smart boards, public address system, security doors, covered play area, the drainage system for our playfield, gym bleachers, innovative classroom furniture, and our incoming sports uniforms.

Additionally, generations of students have been able to attend our school through tuition assistance generated by the auction. Your engagement this evening has a direct and profound impact on the lives of our students, enhancing their school experiences and allowing us to provide the best Catholic education possible.

I would like to thank our S.M.A.R.T. auction chairs, Sandra and Brent Quebedeaux, and co-chairs, Joanne and Philip Kerrigan. Their remarkable leadership and deep care for our school community has led us to this exciting evening of stewardship and community building. I am grateful for the support of our parents, our teachers, our S.M.A.R.T. committee, our PTSA room reps, and all of our donors. Please join me in warmly thanking them for their service to the school. I am also extremely appreciative of Fr. Jim's wise counsel and spiritual leadership. Lastly, please join me in thanking all of our school and parish families. The success of our S.M.A.R.T. auction only happens through our combined efforts as one parish family. Thank you for supporting us in our mission and "let the good times roll"!

Blessings,  
Connor Geraghty  
Principal

# MESSAGE FROM THE EVENT CHAIRS

Good evening and thank you for attending the 30th Annual S.M.A.R.T. Gala! We would like to first thank our many volunteers who are the real heroes of this event; we couldn't do it without you. We would also like to thank the faculty and staff of St. Michael Parish School for their tireless efforts to help grow our children in a caring, loving and faith-based environment.

S.M.A.R.T. stands for "St. Michael A Remarkable Tradition". For the past 30 years this tradition has been key to many advancements for the school and its efforts for continuous improvement. We would like to thank all past chairs of this event over the last 30 years for their efforts to keep St. Michael Parish School moving forward. We are proud to have the ability to chair the event this year.

This evening gives us the opportunity to come together as a community, enjoy each other's company, and give generously to a great institution that does so much for our children. We have been witness to many gala events in the past and hope to make this special event as much of a success as they have been. Please enjoy your evening; relax, have fun, give generously and Laissez les bons temp rouler!!! (Let the good times roll!)

God Bless,  
Brent and Sandra Quebedeaux

# ST. MIKE'S FUND-A-NEED

St. Michael Parish School - Olympia, WA

*Play is the essential work of childhood. It is how children learn what no one can teach them.*

*~ Maria Montessori*

## LEARNING THROUGH PLAY

Improved academic performance, better outlook toward school, full body workouts, and development of motor skills are just a few things that a playground provides for students. Now imagine our playground enhanced so our students can benefit from these and so much more.

Children develop who they are through play. No matter the age, cognitive abilities, language and physical skills develop through their play experiences, as well as their imagination, concentration, self-confidence and social skills. "Overhead equipment" enhances upper body strength such as grip, hand-eye coordination and visual perception. "Climbing equipment" stimulates cognitive skills like memory, problem solving and visualization. With modern playgrounds, children are physically stimulated to enhance sociability.

We all have very fond memories of our school years and what it meant to go to the playground for "recess" and just play. For most it was a time to blow off steam, run, holler, and just be a kid. That is what we want for the students of St. Michael Parish School - a place to just be a kid. With this new playground kids will be able to create obstacle courses, imagine different challenges, and work together to engage everyone in "the game", whatever that might be.

With the purchase of new playground equipment, we will be able to be good stewards and donate our current playground equipment to the students of Juarez, Mexico.

# AUCTION RULES AND TIPS

## AUCTION REVIEW

- Before the live auction, tour the room and auction stage to get an up-close look at the excellent quality of the items displayed. Consult your auction catalog and note details such as restrictions, limitations and sizes at that time.

## LIVE AUCTION BIDDING

- To bid, raise your bid card high, number facing the auctioneer.
- A bid acknowledged by the auctioneer, assistant auctioneer, or volunteer bid spotter is a legal contract to purchase the item.
- The auctioneer and organization reserve the right to reject any bid which is a minimal fractional increase over the prior bid.
- “Dream Value” is the minimum we hope will be paid for the item. “Fair Market Value” is the estimated retail value (provided by the donor). Some items have a “Reserve Price” below which the item may not be sold.
- Some auction items may involve a payout to the item vendor. The school keeps any funds bid above the payout amount. Item descriptions usually note any payout amounts so you will know how much of the winning bid is retained by St. Michael School.
- Items may be added to, or withdrawn from, the auction by the auctioneer or organization without prior notice.

## COMBINED (GROUP) BIDS

Two or more people may make a group bid under these conditions:

IRS regulations stipulate that auctions items be awarded to one purchaser only. Should two or more people wish to split the cost of an auction item, one bidder from the group must be designated as “purchaser” of the item.

The group “purchaser” must pay for the item in a single payment. The Bank cannot accept partial payments from group members. The group “purchaser” can collect partial payment from others in the group and pay for the item in full at the Bank OR pay for the item in full, then collect (partial) reimbursement from each member of the group. The group purchaser then gives each bidder a copy of the receipt.

## SILENT AUCTION BIDDING

- Bid forms are displayed with each silent auction item. The form is a legal contract for the highest bidder to purchase the item.
- To bid on the item, write your bid number on the form opposite the amount you wish to bid.
- You may bid increments to a higher amount. The next bidder must bid at least one increment higher than yours to successfully outbid you.
- To ensure a win, write your bid number beside the “Guaranteed Purchase” price. Bidding on the item ends and you are the winning bid.

- The Silent Auction is divided into sections, each with its own closing time that will be posted and/or announced. You may bid on items until their section closes. Event staff will bring winning bidders a copy of their auction item’s bid sheet during the live auction.
- Auction purchases are final. No refunds/exchanges unless noted.
- Payment is due, in full, at the close of the auction.
- The Bank opens midway through the auction to accept payment from winning bidders. Multiple items may be purchased in a single transaction.
- Payment may be made by cash, check (payable to St. Michael Parish School) or credit card using your VISA, MasterCard or American Express.
- Bidders registered for ExpressPay do not need to pay for items at the Bank. Paid receipts (and any accompanying gift certificates) will be delivered to you during the course of the auction.

## CLAIMING YOUR AUCTION ITEMS

- Winning bidders are responsible for locating/removing their purchases from the premises. Claim any gift certificates at the Bank that are not displayed.
- Items left at the auction will be moved to the St. Michael Parish School office and may be picked up on

## REDEEMING GIFT CERTIFICATES

- Goods and services must be claimed and all certificates redeemed within one year of the auction date unless otherwise noted.
- Reservations for travel packages and vacation accommodations must be mutually arranged with the donor unless otherwise noted.
- Travel tickets are for coach class unless otherwise noted.
- No refunds on cancelled reservations for travel or accommodations.
- Travel pricing is subject to change, so donors agree to provide travel, as described, regardless of price increase/decrease. No refunds will be made for changes in value.
