In August of 1881, Sister Benedict Joseph Superior, Sister Mary Gabriel, and Sister Providence of the Sacred Heart, transformed a small building in Olympia into a makeshift Catholic school and convent. The building, called St. Providence St. Amable, opened its doors on September 18, with 35 girls enrolled. Within a few years the sisters had raised enough money to purchase land on which to build a permanent school. Mother Joseph of the Sacred Heart planned and supervised construction of the new Providence St. Amable Academy, a two-story building located in downtown Olympia on what is now Capitol Way.

The Academy opened on February 13, 1884. There were few amenities and no luxuries, but the building had larger classrooms and for the first time, space for a chapel. The sisters, who wanted the poor to be able to attend their school, kept tuition as low as possible, \$1 per month for primary grades and \$2 per month for high school.

In 1906, when Providence St. Amable Academy celebrated its 25th Anniversary, the school had 103 pupils, 25 boarders, and a faculty of seven sisters. Over time, the school became known simply as Providence Academy. During the 1912 school year the sisters were joined by the school's first lay teachers. Never a prosperous establishment, the school fell into debt until 1926, when St. Michael Parish purchased it for \$11,000. Parish administration discontinued the high school and student boarding, and the Providence Academy officially became St. Michael Parish School.

The building, which had deteriorated during the Depression, was damaged by a fire in 1939. Planning for a new school began in January of 1949 with construction costs estimated at \$300,000. Four months later, an earthquake brought down the facades of many downtown buildings. While the school survived the quake, inspections later revealed considerable damage to the second and third floors.

In March 1950, Father Michael O'Dwyer, representing Archbishop Connolly, broke ground for the new St. Michael Parish School and Convent at the current location on 10th Street. Classes in the original building on Capitol Way ended in June of 1957. The new St. Michael Parish School opened just in time to accomodate the children of the post-war "baby boom" with 343 students enrolled in the fall.

St. Michael Parish School was built on a legacy of Catholic education that is rich in tradition and dedicated to Catholic principles. We are grateful to all who have supported our school since its humble beginnings. Many thanks to our dedicated faculty, staff, parents, friends and alumni for helping us move confidently into the future.

Page 5

Dear friends of Saint Michael Parish School,

I am deeply grateful and overjoyed to welcome you to this wonderful evening of celebration. It has been far too long since we have been able to gather for the SMART Gala.

These past two years have truly been a challenge on many levels. I thought of listing them, but they are far too many. Therefore, I simply want to focus on the challenges we all faced because of the worldwide pandemic of Covid 19. We were all affected by the ravages of this disease. So many people suffered and died. Healthcare workers and hospital systems were stretched to the limit. Fear and anxiety reached epic proportions. I'm sure we each have our stories of how we navigated these challenges.

I am extremely grateful for the leadership of principal Geraghty together with our amazing teachers and school staff who enabled us to shift to virtual learning in a matter of days. The dedication of providing quality education in the midst of so much uncertainty was truly commendable. Once we were able to return in person, the facilities staff went above and beyond in making sure that our school was as clean and sanitary as possible. We installed air purifying machines, hand sanitation stations and signage to remind students and faculty on best practices.

Do you recall the challenge of returning to the classroom and then having to go back to virtual learning and then back to the classroom? Masks were mandated, temperatures were taken and the St. Blaise room became a safe place until parents were contacted.

Through it all, our school and parish staffs kept our school and parish running. I cannot thank them enough for their hard work and dedication. I also thank all of you for your support during these difficult times. I thank you for entrusting your children into our care. I thank you for not giving up, for following protocols, and for riding the roller coaster of not knowing what was going to happen next.

So tonight, let us celebrate. Let us give thanks. Let us commit ourselves once again to the incredible ministry of Saint Michael Parish School. Let us "Place God first in all things, proclaim the gospel of Jesus Christ and grow in holiness to prayer sacraments and service." May our parish mission direct and guide us into the future.

Thank you so much for your presence, your generosity and your support. Blessings to you all.

Sincerely in Christ Jesus, Father Jim Lee, Pastor

Dear Friends of Saint Michael Parish School,

Welcome to the 2022 St. Michael Parish School S.M.A.R.T. Gala: "Reach for the Stars"! Over the past 33 years, your generous and unwavering support of the S.M.A.R.T. auction has enabled the continual growth of St. Michael Parish School. Thank you for the blessing of your presence during our return to an in-person gala format and let's celebrate our remarkable tradition of Catholic education!

Since 1881, our school has served families in Olympia and throughout Thurston County by providing excellent, Catholic faith-based education to their children. Our school's mission rests upon a shared commitment to the spiritual, intellectual, physical, social, emotional, and aesthetic growth for all of our students. Our entire faculty and staff are committed to partnering with our families to ensure that we are always living this mission. Your dedicated stewardship through the sharing of your time, talent, and treasure ensures the brightest of futures for our students.

Each year, half of our auction proceeds fund our Capital Improvements Fund and the other half builds our Endowment Fund. Through your generosity, our auction has funded such exciting projects as our playground, smart boards, public address system, security doors, covered play area, the drainage system for our playfield, gym bleachers, innovative classroom furniture, and sports uniforms. Additionally, generations of students have been able to attend our school through tuition assistance generated by the auction. Your engagement this evening has a direct and profound impact on the lives of our students, enhancing their school experiences and allowing us to provide the best Catholic education possible.

I would like to thank our S.M.A.R.T. auction chairs, Amanda and Mike Doyle, for the generous sharing of their time and talent. Their remarkable leadership and deep care for our school community has led us to this exciting evening of stewardship and community building. I am grateful for the support of our parents, our teachers, our S.M.A.R.T. committee and all of our donors. Please join me in warmly thanking them for their service to the school. I am also extremely appreciative of Fr. Jim's wise counsel, spiritual leadership, and constant care for our school community. Lastly, please join me in thanking all of our school and parish families. The success of our S.M.A.R.T. auction only happens through our combined efforts as one parish family. Thank you for supporting us in our mission and let's "reach for the stars" on behalf of our students!

"Alone we can do so little; together we can do so much." Helen Keller

Good Evening St. Mike's Family!

We are so happy to have you all with us tonight! It has been a long couple of years, and your support tonight for this school community is so profoundly heartwarming! Thank you for everything you've done this past year to help us re-establish the S.M.A.R.T. Gala and Auction.

The goal of tonight's event is two-fold: raise funds to support critical needs within our beloved St. Michael's Parish School and come together as a community - a "Family of Families," We're here tonight to celebrate each other, rekindle relationships, introduce new members to our traditions, and strengthen the St. Mike's bonds across parents, teachers, staff, and volunteers - all of whom are so critical to the growth of our children in a loving, dedicated, Catholic learning environment.

The quote above by Helen Keller reminds us that everything we do builds toward something greater. No matter how small the effort, or how insurmountable the goal might seem, everything you do for St. Michael's Parish School becomes a piece of the fabric of our community. Your efforts allow the school to continue to develop into a premier learning environment, focused on not only test scores, but also developing leadership capacity, fostering social inclusion, prioritizing catholic traditions, and instilling a spirit of kindness and empathy.

Thank you to everyone who volunteered in support of tonight's S.M.A.R.T Gala and Auction. Thank you to everyone who supports the live and silent auction tonight, as well as our critical Fund-A-Need mission. And thank you for all you've done and continue to do to support the St. Mike's family and community. You truly embody S.M.A.R.T., St.Mike's - A Remarkable Tradition!

God Bless, Amanda and Mike Doyle

Auction Rules and Tips

AUCTION REVIEW

 Before the live auction, tour the room and auction stage to get an up-close look at the excellent quality of the items displayed. Consult your auction catalog and note details such as restrictions, limitations and sizes at that time.

LIVE AUCTION BIDDING

- To bid, raise your bid card high, number facing the auctioneer.
- A bid acknowledged by the auctioneer, assistant auctioneer, or volunteer bid spotter is a legal contract to purchase the item.
- The auctioneer and organization reserve the right to reject any bid which is a minimal fractional increase over the prior bid.
- "Dream Value" is the minimum we hope will be paid for the item. "Fair Market Value" is the estimated retail value (provided by the donor). Some items have a "Reserve Price" below which the item may not be sold.
- Some auction items may involve a payout to the item vendor. The school keeps any funds bid above the payout amount. Item descriptions usually note any payout amounts so you will know how much of the winning bid is retained by St. Michael School.
- Items maybe be added to, or withdrawn from, the auction by the auctioneer or organization without prior notice.

COMBINED (GROUP) BIDS

Two or more people may make a group bid under these conditions:

IRS regulations stipulate that auctions items be awarded to one purchaser only. Should two or more people wish to split the cost of an auction item, one bidder from the group must be designated as "purchaser" of the item.

The group "purchaser" must pay for the item in a single payment. The Bank cannot accept partial payments from group members. The group "purchaser" can collect partial payment from others in the group and pay for the item in full at the Bank OR pay for the item in full, then collect (partial) reimbursement from each member of the group. The group purchaser then gives each bidder a copy of the receipt.

SILENT AUCTION BIDDING

- Bid forms are displayed with each silent auction item. The form is a legal contract for the highest bidder to purchase the item.
- To bid on the item, write your bid number on the form opposite the amount you wish to bid.
- You may bid increments to a higher amount. The next bidder must bid at least one increment higher than yours to successfully outbid you.
- To ensure a win, write your bid number beside the "Guaranteed Purchase" price. Bidding on the item ends and you are the winning bid.
- The Silent Auction is divided into sections, each with its own closing time that will be posted and/or announced. You may bid on items until their section closes. Event staff will bring winning bidders a copy of their auction item's bid

sheet during the live auction.

- Auction purchases are final. No refunds/exchanges unless noted.
- \cdot Payment is due, in full, at the close of the auction.
- The Bank opens midway through the auction to accept payment from winning bidders. Multiple items may be purchased in a single transaction.
- Payment may be made by cash, check (payable to St. Michael Parish School) or credit card using your VISA, MasterCard or American Express.
- Bidders registered for ExpressPay do not need to pay for items at the Bank. Paid receipts (and any accompanying gift certificates) will be delivered to you during the course of the auction.
