

We Never Forget

Our Mission

To provide financial assistance and emotional support to families struggling with the loss of a child.

Our Story

Raise for Rowyn was started by a grieving mother looking to find meaning in the loss of her child and trying to help those suffering from the same loss.

Today, we help hundreds of families throughout the country and around the state with funeral cost assistance and emotional support.

Our Guidelines

1. Raise for Rowyn grants requests for children who have a live birth to 18 years old
2. We typically grant:
 - \$500 grants for out-of-state residents
 - \$1,000 grants for in-state residents
3. Raise for Rowyn does not pay out to individuals. We work with the funeral homes directly.
