AFTERSHOW  
FEATURING OLSON BROTHERS BAND

On April 19th, 2013 precious Rowyn Leea Johnson was born to loving parents Cody and Brynn Johnson. She was born into a large family with deep roots in hometown Tenino. She received lots of love from her Nanas, Papas, Aunties, Uncles, and many cousins.

Rowyn was a happy baby with a sweet disposition. She spent her days trying to keep up with big brother Wyatt, being Mommy's helper, and Daddy's little shadow. She loved playing with other kids and would be caught red handed giving boys hugs and kisses everywhere she went. She would play in the sandbox with her brother, be in the garden with her Mommy, or in the back pack with Daddy doing yard work. She was already learning how to ride her power wheels quad, following brother Wyatt around the property of their home. Rowyn had a big personality always giggling and trying to make others laugh. She loved to shop with Mommy and already had input on what she wanted to wear. She had bright blonde wild curls that she always had a big bow in.

On September 16th, 2014 Rowyn Leea Johnson received her wings. Raise for Rowyn was started to keep precious Angel Rowyn's memory alive and to give support to other families that suffer the loss of a child.

# MEET ANGEL ANNA

Anna came into our world on August 21, 2005. She was a surprise to her mother Leeann, who was 17 years old at the time she was born. Despite the pressures that surrounded her, Leeann fought through her adversity, and was rewarded with a bright and beautiful daughter and best friend.

Anna possessed a profoundly generous spirit. She was always giving herself to others. She cared deeply for those around her and wanted nothing but the best for the people in her life. Though she had her struggles, she truly believed everyone deserved a chance and fought for their wellbeing.

Anna earned her wings far too early on August 18, 2020 after being misled by her friends, causing an accidental overdose while seeking pain relief.

She leaves a legacy that will be carried on by her mom, who loved Anna with her whole heart, and passionately works to keep her memory alive while raising Anna's younger sister Gracie.

"We grew up together," Leaann says proudly. "She saved me."

## KATHY JENSEN

After 27 years of public service in Kitsap County I retired and relocated to a quiet life outside of Tenino in 2007. My husband and I have a blended family of five children, 11 grandchildren and three great-grandchildren. I enjoy gardening and cooking and attempting to play golf. This year we were able to return to the Coachella Valley for the winter. This did not improve my golf game, but I certainly enjoyed the sunshine. Volunteering for Raise for Rowyn has been an extremely rewarding experience. An amazing group of people, who work tirelessly and are dedicated to their mission of helping families suffering an unimaginable loss. I hope to continue to share their mission and contribute to Raise for Rowyn.
